Courtney Phillips has taken the job as the new **Shipping Manager**. Courtney has been working as a tack purchasing agent since last June.

A few interesting facts about Courtney:

- 1999 WPRA Women's Bull Riding Champ
- 2004 Miss Rodeo USA 1st Runner up
- Retired U.S. Army apache helicopter aviator

In Courtney's free time, she enjoys breakaway roping, helping with the NTHSRA and also spends time as a pageant coach/clinician.

Amanda Shetter

Amanda Shetter is concentrating her responsibilities solely as **QC (Quality Control) Manager**. Amanda has been with NRS for over 16 years. For years she was in charge of QC then in 2017 she filled in as the call center manager. From April of 2018 to this past December she was in charge of shipping and now she is back in charge of QC. She is one of our most technically sound employees in regards to Celerant and our internal processes.

Amanda has 5 children ages 12-22, and spends her free time going to her kids' athletic games. Something you may not know about Amanda is that she enjoys watching movies and spends her extra \$ on her LOVE for shoes!
